

GREETINGS MANAGERS, EPIC ADMINISTRATORS, AND TRAINERS

Happy Spring!

We're excited to share our 1st Quarter 2026 newsletter, continuing the momentum from previous enhancements of Wiley's Everything DiSC® Catalyst Platform. Wiley has been quite busy with new development on the platform and now they are rolling them out to clients.

This quarter specifically brings deeper integration and new tools to support facilitators and to help managers apply DiSC® insights in real-time beyond the classroom session. As promised, our quarterly updates will highlight key changes happening to the DiSC Catalyst Platform.

PREREQUISITE – ACCESSING NEW FUNCTIONALITY

TRANSITIONING TO THE CATALYST™ ADMINISTRATOR EXPERIENCE

As a Catalyst Administrator, ***to gain access to the new functionalities*** being added to the platform, *you will first need to sync your EPIC account with your Catalyst account.* If you haven't completed this step, a **job aid** link below provides instructions on how to make the transition. This is straightforward to achieve and should take less than 5 minutes to complete.

We encourage you to complete this step now to gain access to valuable resources to support your administrative tasks.

NEW NEWS

ADDITION OF THE CATALYST™ PRACTITIONER EXPERIENCE

The Catalyst™ Practitioner Experience provides practitioners with resources they need to deliver DiSC® training sessions. In addition to all the facilitation materials from the Everything DiSC® on Catalyst kit that is accessible through your Catalyst Platform, you also get:

- ✓ **Ready-to-use facilitation materials** like customizable PowerPoints and scripts
- ✓ **Real-time learner & group insights** to tailor sessions to participants
- ✓ **Ongoing training** hosted by Wiley facilitators to keep your skills sharp
- ✓ **A private community** of supportive DiSC practitioners for collaboration

This functionality can be activated at no charge if you previously purchased a facilitator kit prior to December 31, 2025, by using your kit's serial number. *If you have misplaced yours, reach out and we will forward the request to Wiley's support team to retrieve.*

If you have not purchased a facilitator kit and want to gain access to CPE, reach out to us for purchase. Then activate the product using the serial number received from the transaction.

CERTIFICATION FOR DiSC PRACTITIONERS – AN Update

Wiley has restructured its DiSC Practitioner Certification Training model. The trainer will now interact through the Catalyst Platform, upon purchase of the **Catalyst™ Practitioner Experience, to access their DiSC materials.**

Next, facilitators will then proceed to complete the certification course work followed by testing to earn their certification credentials.

Contact us to reserve seats for new facilitators. **Note, you can cancel a seat up to 2-weeks prior to the class start date. Volume discounts are available.**

WORKSMART MANAGEMENT MODULES – FULLY AVAILABLE

We hosted live client sessions during the month of May 2025 to introduce the new five (5) Worksmart learning modules targeted for leadership development curriculums for managers. *Thanks to those that attended our sessions* to learn more about the modules and for sharing insights regarding how you may incorporate them into your existing curriculums. At that time only two of the modules had been released, today all modules are now available from the DiSC Catalyst Platform. **Note, you cannot access the Worksmart modules from your EPIC account.**

A quick synopsis of Worksmart: Everything DiSC® Worksmart is a dynamic series of five targeted learning modules designed to help managers apply DiSC® to real-world workplace challenges, including:

- ✓ Giving Constructive Feedback
- ✓ Managing Conflict
- ✓ Empowering Your Team
- ✓ Helping Your Team Navigate Change
- ✓ Motivating Your Team

Since our training, Wiley has enhanced these modules by allowing managers to develop action plans for their teams and *storing the plans directly on the Catalyst platform for easy retrieval.* These tools are available to managers on-going.

EPIC Credits

Good news! There are no price increases for EPIC credits this quarter. We will keep you posted as we proceed through the year. Our GSA pricing remains in effect for all orders. Let us know when you're ready to purchase credits. We aim to deposit them within 24 hours of order completion.

CONTINUING EDUCATION FOR TRAINERS

Wiley's Webinar Series will continue this spring on March 31 and April 22. at 11:00EST, featuring a one-hour webinar for *Unlocking Your Manager Superpower*. The webinar will focus on how the Worksmart management module can support managers to enhance essential skills to handle day-to-day challenges.

The webinar is complimentary. [Email us](#) to register or request the recording if you're unable to attend live.

Catalyst Learning Conference

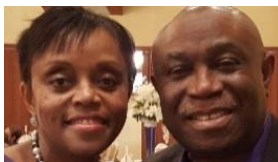

The link below provides training sessions recently held by Wiley personnel. The sessions provided a detailed view of many of the updates we have discussed in this newsletter. The recordings will be available through May 2026. We encourage you to have your team to watch the sessions to enhance their knowledge of all the new features.
